CAUTION - EXTERNAL:

Good morning Clerk of the Court,

Just following up on my email below respectfully requesting your assistance to help correct the inadvertent error filing a new case, **Mary Seguin v. RI Department of Human Services, et al (Case No.1:23-cv-126)**.

I am attaching the Pro Se Motion for ECF for the above referenced new case. I am also attaching a copy of the Complaint I filed through ECF that by error was filed as ECF 39 in Case No. 1:23-cv-34.

After another review of the 34 page training manual posted on Pacer entitled "Civil Case Opening" on how to file a new case again, I am unsure if the error is due to the Pro Se Motion for ECF not being filed? However, I was not able to file the Pro Se Motion for ECF into the new case either.

I also do not understand is why the system prompted me for payment of \$402.00 for creating a new case electronically and then successfully processed it, but then not enabling me to file into the new case that the system opened and charged me \$402.00 in the first place, that led me to believe I was following the procedure correctly.

Therefore my apologies for my confusion on how to open a new case electronically.

I would be grateful for your assistance to correct the e-filing so that I can further proceed.

Thank you very much in advance for your assistance.

Respectfully submitted,
Mary Seguin

P.S. Please don't hesitate to call me with any questions you might have.

Good morning Clerk of the Court,

I filed a new case through the ECF system and the Pacer system informed me it opened a case 1:23-cv-126. Then, the system prompted me to upload the new case Complaint, and after I completed that step, the system prompted payment using the credit card on file in my Pacer Account, which I approved. Thereafter, I received the receipt below.

However, I got e-served that the Complaint I thought I filed into case No. 1:23-cv-126 was wrongly filed into 1:23-cv-34 under ECF 39. I'm not sure how that happened! Sorry!

Could you kindly help me correct this error and sort it out?

1. Kindly remove the new case Complaint (for 1:23-cv-126) that got filed as (ECF 39) in 1:23-cv-34.
2. Kindly file the new case Complaint into the newly created case 1:23-cv-126.

Thank you so much for your assistance in advance! I'm not sure what happened causing the error, sorry! I truly appreciate your help sorting it out!

Kind regards and respectfully submitted,
Mary Seguin

P.S. Please don't hesitate to call me with any questions you might have.
